
Environmental Policy

Environmental value

We will work in a manner that protects and promotes the health and safety of the individual and the environment.

Environmental Policy

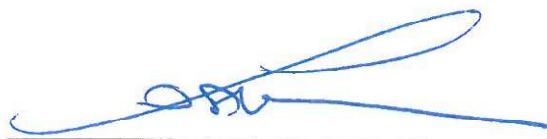

It is the corporate policy of Smithfield Foods, Inc. and its subsidiaries to conduct business in a manner consistent with continual improvement regarding protecting the environment.

SC Smithfield Romania SRL Fresh Meat Division is committed to protecting the environment through pollution prevention and continual improvement of our environmental practices. We will create, implement, and periodically review appropriate environmental objectives and targets. We support the responsible use of natural resources, energy conservation, waste minimization, and pollution prevention.

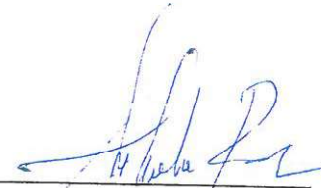

SC Smithfield Romania SRL Fresh Meat Division SC Smithfield Prod SRL seeks to demonstrate its responsible corporate citizenship by complying with relevant environmental legislation and regulations, and with other requirements to which we voluntarily subscribe.

Protection of the environment is the responsibility of all SC Smithfield Romania SRL Fresh Meat Division employees within the scope of the EMS. Employees are encouraged to report environmental incidents or events. All associates of SC Smithfield Romania SRL Fresh Meat Division are expected to understand, promote and assisting the implementation of this policy.

SC Smithfield Romania SRL Fresh Meat Division communicates this policy to persons within the scope of the EMS and makes it available to the public upon request.
